The screenshot shows the RefillRx mobile application interface. At the top, the RefillRx logo is on the left, and the address '978 Galloway Road, Galloway, OH 43119' and phone number '(614) 853-3498' are on the right. An 'Options' link is also visible. Below this is a 'Prescription' section with the number '274352' and the status 'Not yet requested' with a blue checkmark. Underneath is a 'Pharmacy' section with 'OLD VILLAGE PHARMACY' and a blue checkmark. The 'Delivery Method' section shows 'Pickup' with a blue checkmark. Below that is a 'Message To Pharmacist' section with the text 'Send an optional message to your pharmacist' and a 'Press to leave message' button. At the bottom of the message section is a large circular icon of an envelope and the text 'Ready to send.' Below this are two buttons: 'New Request' and 'Send Request'.

****If everything matches what the pharmacy has in the system AND there are refills available on the prescription, you will get a green check mark.**

If not, a red X will appear.
